

# CLIPLINE complete – Quality in every application

The quality of our products is our top priority. This is not only tested subsequently on finished products, but is ensured with responsibility during every step of production. A process-oriented, integrated management system ensures that not only legislation and standards, but also customer requirements are taken into account during the manufacturing of our products.

A detailed overview of the individual tests and the associated standards is available on our website and in the CLIPLINE complete quality brochure.

## DIN EN ISO/IEC 17025

The Industrial Cabinet Connectivity development and quality laboratory of the Phoenix Contact Group is a permanent and elementary part of the product development and change process.

The expertise of the ICC laboratory is ratified by the German National Accreditation Body DAkkS accreditation in accordance with DIN EN ISO/IEC 17025, among others.
