The purposes of the processing for which the personal data are intended	Your personal data, which you provide to us when participating in a survey, are used to process the respective survey. In this context, the sending of personalized survey links only serves to send an individual reminder email. We use the survey results to improve our service and optimize our offer.
Legal basis for the processing	Art. 6 (1) (b) GDPR (Required to participate in the survey)
Categories of personal data that are processed	Depending on the survey, required or optional entries as well as stored data are: <ul style="list-style-type: none"> • Name • E-mail address • Postal address • Country • Answers in the survey • Depending on the context, where necessary additional fields to specify your request or free text • Log data generated when completing the survey, such as IP address, date/time of execution, web browser user agent, type of device.
Source (origin) of the data	From the data subject
Recipient(categories) of the data	Other companies of the Phoenix Contact Group if necessary to process the survey.
Transfer of data to a third country or an international organization and the associated safeguards to protect the data	The survey system is operated in our subsidiary in the US. To protect the data, we have a data protection framework agreement with our subsidiary based on the EU standard contractual clauses.
Storage duration of the data	Your survey data entered as well as the log data are deleted after 12 months (counted from the end of the current calendar year).

*) in accordance with Article 13 and 14 EU General Data Protection Regulation (GDPR)

Information on the processing of personal data * when using surveys
